Document Summary:

Summary
Helpful tips for using a Wacom tablet or other drawing tablets with Blackboard Collaborate web conferencing.

Document Details:

Resolution
Wacom tablets and other drawing tablets have a button or switch located on the device that refers to the touch sensitivity.

Normally the "Touch Sensitivity" functionality has 2 choices, "Pen and Touch" or "Pen only". It is important that you choose "Pen only" when using a Wacom tablet with Blackboard Collaborate web conferencing.
