This document contains instructions on

- **Creating a Turning Account**
- **Purchasing and Registering a Turning Account License**
- **Connecting to ICON**
- **Participating in a Session**
- **And Downloading the ResponseWare app**

### Create a Turning Account

A Turning Account is necessary to participate in TurningPoint sessions.

A student support site is available to assist students with their Turning Account creation as well as registering their device and redeeming their license codes. **Visit:** <http://turningtech.info> for more details.

### Purchase and Register your Turning Account License

A Turning Account License is necessary to receive credit for any TurningPoint session responses.

Students can purchase ResponseWare licenses at the bookstore, and also through your Turning Account [Student Store](#). **KEEP YOUR RECEIPT!** If you drop a course that requires a Turning Technologies student response product you can return your

ResponseWare license code within 14 business days of purchase for a full refund. Visit <https://store.turningtechnologies.com/modal/returnpolicy.htm> for further details.

### Connect in ICON:

If Clickers are a part of your course, ICON will have a link **in the Modules** section of your course site to connect you to your Turning Account.

1. **Log into ICON**
2. **Select your course.**
3. **Click into Modules** from the left side Course Navigation.
4. **Click the Turning Account Registration** link.
5. **Click to connect** to TurningTechnologies.
6. **Enter your university e-mail address** in the area provided. If this is the first time you are logging in click **“Create an Account.”**

7. Check your e-mail. **Click the verification link.**
8. **Enter all required fields** as noted by asterisks and **click Finish.**
9. If you have a ResponseWare license code, **enter it** in the appropriate box and **click Redeem.**  
Licenses are required to participate and receive credit for your responses.
10. **Click Finish.**
11. Your Turning Account Dashboard is displayed.

### Participate in TurningPoint Sessions:

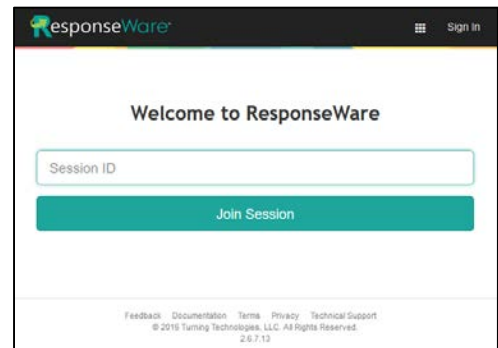

*There are three ways to begin participating in a TurningPoint Session.*

Option 1: Log into

<https://account.turningtechnologies.com> and start the ResponseWare session from the Apps Button icon in the top right corner.

Option 2: Go to <https://rwpoll.com> and sign in here.

Option 3: Use the ResponseWare app to participate in your session

### Download the ResponseWare App

*The ResponseWare app allows users to leverage personal response devices in class to easily submit data to presenters.*

The ResponseWare App is available on the iTunes App Store (<https://itunes.apple.com/us/app/responseware/id300028504?mt=8>) and on Google Play. (<https://play.google.com/store/apps/details?id=com.turningTech.Responseware&hl=en>)

Alternately, you can also join a ResponseWare session in any web browser by following this link: <https://rwpoll.com>
